MOPAR CLUB

January 2010

Happy New Year! We trust that everyone had a nice Christmas. As the new year rolls around, we look forward to getting through the next couple of months and drifting into spring. Hopefully it won't be in a snow drift!

Our Christmas party last month was a big hit. We had many show up and a good time was had by all. Once again, we thank Al & Gloria for opening up their home to us.

Now that we've all survived Christmas, we have Valentine's Day to look forward to. For those of you who have forgotten or maybe don't care, **Valentine's Day is February 14th**. It is also the Daytona 500 and most important it is our **1st meeting of the year!** So bring your sweetheart (or don't) and come celebrate them all with us at **Martini's on the Rock** in Rock Island, Illinois. Martini's is located at 4619 34th St, Rock Island (Blackhawk Rd). The meeting will begin promptly at **11:00 am** with the race to follow at 12 noon. We will not only have a television in our meeting room on the north side of the building, but they will also show it on the big projector screen in the main restaurant. If you need directions or just more information about Martini's you can visit their website at www.martinisontherock.com. If you don't have internet access and need directions you can contact me or Martini's direct at 309-732-1631. Make sure you plan to attend this meeting! This is the meeting of all meetings so plan to attend. We will have door prizes and maybe some sweets to signify the special day. We will also kick off our big NASCAR pool which continues throughout the season. If you are interested, please let me know as soon as possible so that I can get a packet to you as soon as they are ready. Otherwise, we will have our normal one race pool drawing you can get in for \$5 a draw for that day only. Finally, we still have calendars available if you would like to pick yours up at the meeting or contact me to make other arrangements. We only have about 30 left so get yours before they are gone.

Reminder to those of you who have not paid your dues: February is our cut off for 2010. If you have paid your dues anytime from the fall cruise to date, you are paid up for 2010. If you have not paid yet and still want to be a member, please be sure to pay by the next meeting or your information will be removed from our database and you will no longer receive all of the updates and newsletters.

In 2010 we would like to make the Quad City Mopar Club a community name by donating more money to different charities in the QCA. We also look forward to another great year of classic car events. We have already posted some events on our calendar on the website and will add new things as they come up.

We look forward to seeing all of you on **Valentine's Day, Sunday, February 14th at 11am at Martini's on the Rock.**

Sincerely,

Randy DeVoss
President
